Our rainbow service

Our free service, caring for children under 18

Central co-op

We’re here for you

The loss of a child is unlike any other. We’ll be here to support you in any way that we can, by guiding you, helping you make decisions and arranging everything for you.

Our rainbow service is free. We won’t charge you for our services, coffin or transport, so you can focus on finding the right way to remember your child.

We know this may feel overwhelming. We’ve been looking after families for over 100 years and we’re here for you, at your side, whenever you need us.

As part of our free service, we’ll:

- Make all of the funeral service arrangements
- Organise your choice of a hearse or a limousine
- Offer you the choice of an oak veneered, white, pink or blue coffin
- Create 20 service sheets from a selection of designs

We can also help you add personal touches, if you’d like us to:

- We can offer a limousine, so you and your baby can travel to the service together
- Arranging a special themed service based around their favourite colour, film, TV character or hobby, and our funeral team can match their outfits too, if you like
- Helping you choose what your child will wear, such as a favourite outfit
- Placing something treasured next to your child: perhaps a favourite photo, toy, letter or blanket
- We can include a favourite colour in our team’s uniforms - perhaps a ribbon, tie or handkerchief
- Making a cherished keepsake from a lock of hair, a hand or foot impression, or a fingerprint in jewellery
- Creating a memory box, to hold precious mementos such as pictures, cards, toys or letters in one place
- We’ll also help you personalise a perfect stonemasonry memorial if you’ve chosen a burial or ashes interment for your child

If you want to visit your child, you can do so as many times as you want, for as long as you want, and our teams will arrange it all for you. We’ll be there for you at every step of the way and will make sure you can say goodbye in the way which is right for you.

A *special* place to remember your child

When a child dies, their memory stays with us always. Having a special place to visit can bring comfort - somewhere peaceful to go, to remember, and feel close to them. A headstone or memorial tribute helps create that space. It becomes a place of love and reflection, showing just how much your child meant and the difference they made in their time here.

We'll work closely with you to create a tribute that feels right for your family - something truly personal that reflects your child's unique character and the memories you hold dear. Each tribute is made with gentle care, to honour their memory in a lasting and meaningful way.
