Choosing a coffin

Our coffins are grouped by style; sustainable, modern, traditional and personalised to help you find the right one for them and for you.

Whether you want a bespoke, colourful coffin with an image of their favourite football team or musical hero, or a classic mahogany casket, we can help.

You can leave special items in the coffin to be buried or cremated with them if you want to. Some people like to include a piece of jewellery, a letter, or a photo.
